- (a) This is the testing room used for EOD's and applicants to administer typing and shorthand tests.
- (b) This space is used to brief new employees reporting for duty.
- (c) The Family Employee Liaison Office is housed in this space. Its set-up is similar to that of a library, providing literature for those employees and spouses going abroad.
- (d) The Employee Activity Association store is located in this space.
- (e) This space houses the physical fitness equipment, track, locker rooms and shower facilities in the basement of Hqs building.
- (f) Physical fitness equipment, etc. is located in this space in
- (g) This room is presently operated by ORD, but it houses Office of Personnel computer equipment.
